NFIP Support for Contingency Operations -

- As noted previously, the first meeting of the working group is scheduled for 23 April. At that time, the TORs will be reviewed and a work program will be developed. Subsequent meetings until the mid-May DIA Symposium on low intensity conflict will be devoted to exchanging insights on a variety of related topics associated with contingency support.
- Paul is preparing a status report on the study effort, which the DCI had requested by 25 April. We are awaiting the results of the first working group meeting before finalizing the report.

- Rich also provided Steve with a package containing pertinent SDI correspondence for his initial meeting as the ICS member to the DIA-chaired Strategic Defense Intelligence Advisory Committee on Wednesday, 23 April.
- We have reviewed the PPS memorandum distributing the SDIO requirements to the Intelligence Community for comment. The memorandum goes farther than we anticipated into what we perceived as the CIPC's jurisdiction.
- Rich visited NSA on 16 April. During the course of the visit, he briefed appropriate policy and production staff officers on the various topics being studied by the CIPC and encouraged them to help us meet more stringent time deadlines for the completion of our studies. He discussed the China report at length with the NSA representative and left him several questions to follow up on. He also made a courtesy call on [redacted] Special Assistant, [redacted] [redacted] will become Deputy Director, NSA in July.
